Discussion of the idea of forming a committee to work on a Village Comprehensive Plan was started. It was pointed out that any changes to the Zoning Laws must, by State mandate, concur with the Comprehensive Plan and that since we have no such plan, then changes to the Zoning Laws would be extremely difficult to get approved. Dan L would put together a letter to the Board of Trustees, asking for feedback on forming a committee to look into this issue.

Motion was made to adjourn by Bruce B, seconded by Jim D. Meeting adjourned at 7:40 PM
