Planning Board Minutes
October 9, 2019

Present: Daniel Lindh, Al Zubal, Roy James Hyde

At approximately 7:11 PM the meeting was called to order and began with the salute to the Flag. A motion was made to approve the consent agenda items, minutes from prior meeting (Zobal / second Lindh). Brief discussion about the vacancy on the board. Members to canvas the village again. This was followed by discussion about the Iverson project. With no new business, at 7:40 PM a motion (Hyde) was made to adjourn the meeting (second Zubal) which carried unanimously.

Respectfully Submitted,
