Average Amount of Water Used per Day: 33,000
Total Amount of Hypochlorite Used per Period: 23.5 Gal
Average Amount of Hypochlorite Used per Day .78 Gal

Monday June 8th

- Visited the lower reservoir with mayor Gifford to look at erosion on the embankments along rt.395 from storm drain overflow on rt 395 and sent an e mail and called Dot engineer to report damage and also let them know silt curtain broke loose and lots of debris went into the reservoir.
-

Tuesday June 16th.

- Received Thm & Ha5 results from J&H labs

Friday June 20th

- Talked to engineer on site at water plant working with Da. Collins in regard to reservoir entry way off rt 395. AS promised by forman Brian baker the heavy stone was not covered on entry way and guardrail was constructed and now has extended past the water plant fencing hindering snow plow operations and tractor trailer deliveries.

Wenesday June 25th

Received monthly bac T results from jm labs
