

Dear Residents,

The Village of Delanson maintains an annual contract with Casella Waste for village-wide trash removal. Residents benefit from this service at a reduced rate through their property taxes.

New property owners should find trash and recycling bins already located on their property. If bins are missing, please contact Casella directly to request delivery.

Trash is picked up on Wednesday starting at 6:30am. You must use their containers as the trucks pick up the barrels without humans.

Our trash is picked by Casella Waste Systems Inc. If you have any questions, you can reach them at [https://www.casella.com/contact-us?service\\_request=contact](https://www.casella.com/contact-us?service_request=contact) or 888-485-1469 or contact the Village office at 518-895-2199.

Here is some information:

### **Container Do's**

- Keep containers on a hard, level surface clear of snow and landscaping and no more than 6" from the curb.
- Please allow containers a 3-foot perimeter of clearance from obstructions such as parked cars, trees, mailboxes, and utility poles. There must also be a 15-foot overhead clearance from any low-hanging tree branches or power line.
- If you have more than one cart at the curb, please set them side by side with at least 3-foot clearance in between, do not block the sidewalk.

### **How do I get rid of paint cans?**

- Wet paint is not allowed in the trash. Paint needs to be dried out. There are two ways you can accomplish this:
- Take cover off the paint can and add kitty litter. Let sit until dry and hard. Make sure to keep cans out of the reach of children.
- Ace Hardware, Home Depot and Lowes all sell paint hardeners. When added to wet paint, it will dry and harden the paint in less than 30 minutes.

### **What do I do with larger items?**

Casella picks up large, bulky item on a set day each week. Call their office at 888-485-1469 to find out the charge and schedule your pickup. All prices are subject to change

upon seeing the actual items. Sometimes people tend to understate what they have. Price increase will need to be okayed by the homeowner.

**Do you pick up yard waste?**

Yard Waste is picked up by the Town of Duanesburg, Check for dates on the Events Calendar on this website.
